

# Practical-5

**Aim:** Create a Google Form titled “Student Attendance Report”, take a survey, and analyze Responses.

- Form

The screenshot shows a Google Form titled "Student Attendance Report". The form consists of five questions:

- Student Name \***: Short-answer text input.
- ERP Id \***: Short-answer text input.
- Course \***: Short-answer text input.
- Date \***: Date input field.
- Attendance Status \***: Radio button options for "Present" and "Absent".

- Responses

The screenshot shows a Google Sheets spreadsheet titled "Form Responses". The data is organized into columns:

	Timestamp	Student Name	ERP Id	Course	Date	Attendance Status
2	13/12/2025 23:03	B Yakshita	10371	B tech (CSE)	13/12/2025	Present
3	14/12/2025 09:31	Anjali Nandanwar	10205	Btech	14/12/2025	Present
4	14/12/2025 11:02	Bharti	10381	BTech	14/12/2025	Present
