

## Practical-7

**Aim:** Create a new folder named "Unit 3 Practical Work" using Google Drive or OneDrive. Within this main folder, create subfolders named "Notes", "Images", and "Assignments". Upload three different files (PDF, image, and document) and organize them into the appropriate subfolders. Finally, share the main "Unit 3 Practical Work" folder with your teacher, ensuring they have "View Only" permission.

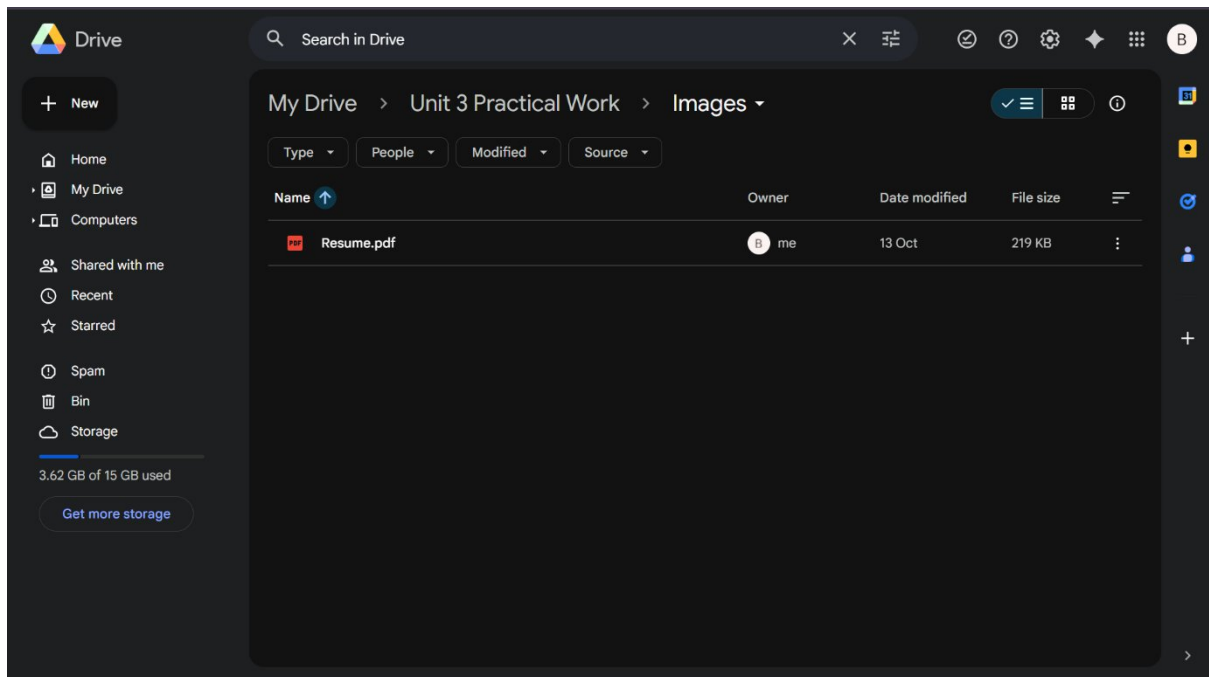

- **Folder named "Unit 3 Practical Work" with subfolders ( Notes, Images, & Assignments)**

- **Files Uploaded in “Notes”.**

- Files uploaded in “Images”.

- Files uploaded in “Assignments”.
